

Bespoke **LMS** and **training** for your business needs

A Personalized Member Learning Experience

Relevant from the first click
Members see learning matched to interests, role, sector, stage.

Guided journeys, not just content lists
Structured pathways, featured resources, next steps create curated learning.

Visible progress and motivation
Dashboards, badges, milestones show achievement, sustain engagement.

The screenshot shows the BVRLA learning portal interface. At the top left is the BVRLA logo. To the right are icons for search, email, user profile, and a menu. Below this is a blue banner with the text "Your learning. Your journey." and "Personalised learning to help you drive forward." The banner features an illustration of two cars (a silver one and a blue one) with a hand holding a coin above them, surrounded by a circular path. Below the banner is a navigation bar with six icons and their corresponding labels and descriptions:

- My Courses**: See courses you are enrolled in
- Catalog**: See a complete list of available courses
- Resources**: Browse or download resources
- Calendar**: See your scheduled events
- Leaderboards**: Your company leaderboards
- Admin**: Access the admin interface

Make it yours. 100% bespoke to your brand.

Every element can be tailored to reflect your brand, your colours and your customers.

1. Your Logo

Add your logo and make it front and centre.

 YOUR LOGO

2. Your Colours

Use your brand colours across the whole page.

Driven by expertise

Training for today, ready for tomorrow.

4. Your Imagery

Use your own images to showcase your vehicles, people and services.

3. Your Messaging

Tailor the headline and supporting text to your tone of voice.

Tailored training for your needs

BVRLA creates custom e-learning that reflects your goals, your audience, and your industry.

Custom e-learning, built by us

We design and develop bespoke e-learning modules tailored to your exact requirements.

- Any course or subject
- Aligned to your goals and brand
- Expert instructional design and engaging content
- Ready to deliver to your learners

Made for your audience

We take the time to understand your learners, challenges and objectives.

- Content that speaks directly to your audience
- Relevant, engaging and easy to understand
- Supports performance and development

End-to-end service, hassle-free

We manage the entire process from concept to completion.

- Needs analysis and planning
- Scriptwriting and content development
- Graphic design, video, interactivity and more
- Testing and quality assurance
- SCORM/xAPI compatible delivery

High-quality learning that delivers results

Effective e-learning that drives engagement, improves performance and supports your business outcomes.

- Measurable impact
- Consistent, professional and on-brand
- Ongoing support and updates available

Partner with BVRLA. We create. You succeed.

Let us take care of your e-learning content so you can focus on what matters most — your business.

Get in touch today

Tell us what you need to teach.
We'll create the e-learning to get you there.

Pricing

Fully branded platform, this would be available at a cost of **£500 + VAT.**
